What is required to become a volunteer?

To ensure the safety of the students at school- sponsored outings, the Leander Independent School District (LISD) requires volunteers, new and returning, to complete an application for a criminal background check each school year. Its fast and easy to apply! All new volunteers will need to attend a Volunteer Orientation where helpful information and answers to questions will be provided.

Who can volunteer?

ANYONE! Grandparents, aunts, uncles or any other adult that's a special part of your child's life, is welcome to become an approved volunteer.

How do I become an approved Volunteer?

Go to Cypress PTA at www.cypress.my-pta.org – click the VOLUNTEER tab at the top. CLICK THE BRIGHT GREEN BUTTON on the bottom left that says "APPLY NOW TO VOLUNTEER". Follow instructions. The process is fast and easy and only requires a driver's license number and your general information.

What can i do, while I wait for approval status?

Your PTA organizes volunteer events online, via Facebook and through take home folders. By registering for our website and OPTING IN to receive emails, you'll receive the latest information every time we need volunteers. We send request to our database often.
